

Please help us to secure a healthy future for Eton Fives

Leave a gift in your will to the Eton Fives Charitable Trust

Help Fives to thrive

The Eton Fives Charitable Trust (EFCT) exists to build financial reserves to enable Eton Fives to thrive into the future.

At the Eton Fives Association (EFA) we have a clear vision of how money should be spent which is encapsulated in the "FiveStar Project".

This identifies the five most important areas where investment is needed to ensure a healthy future for our sport – schools, universities, clubs and communities, coaches and organisers. You can read about the FiveStar Project on the EFA's web site at www.etonfives.com

We want Eton Fives to be enjoyed by more people, in more parts of the country and from a wider diversity of backgrounds than is currently the case.

We cannot assume that the game will thrive without this expansion. Significant funds are needed to build new

courts, hire and train coaches and create a professional administration to manage the sport which is over-reliant on volunteers – your gift will help us achieve these aims.

How we use your gift

The Trust welcomes all gifts of any size and you can be sure that your gift will be used wisely for the benefit of Eton Fives.

We prefer unrestricted legacies which can be used according to the needs of the time but we also welcome gifts designated for a specific purpose (e.g. building courts).

We acknowledge gifts in whatever way the donor or his/her executors feel is most appropriate or we can ensure that a gift remains anonymous.
