

## **EFA Transgender Policy**

The majority of tournaments and fixtures in the Eton fives calendar are open to all individuals regardless of sex or gender. However there are several tournaments where this is not the case. These include but are not limited to:

- Ladies National Championships
- Ladies University Championships
- Schoolgirls Nationals (all age groups)
- Mixed tournaments where each per must contain one male player and one female player (Open, University, School)
- Richard Black Cup

Any transgender male (female-to- male) may participate in tournaments as his affirmed gender without restriction.

Those who are receiving testosterone are no longer eligible to participate in female competitions.

Transgender females (post puberty) may participate in tournaments as her affirmed gender providing she has been undergoing hormone therapy for a minimum of 12 months. Alternatively she may participate in male competitions.

Transgender females (pre-puberty) may participate in tournaments as her affirmed gender without restriction.

Eton Fives is an amateur sport that promotes fair play and integrity through the lack of umpires/referees. In keeping with the spirit of the game, the EFA will not require medical evidence for an individual as to their eligibility unless specific concerns have been raised.

Any medical or sensitive information disclosed to the EFA will be treated confidentially.
